

Hodges Creek

2010 Hodges Creek Drive

Hodges Creek

Hodges Creek is a 50-unit complex developed by Mills Construction and is located in Northeast Raleigh at 2020 Hodges Creek Drive off Old Wake Forest Road. The units are comparable in quality and detail to market rate apartments in Raleigh. City funds from affordable housing bond proceeds are \$750,000.

A little over \$3,650,000 was invested throughout the development in addition to city funding. Other funding was obtained through Community Investment Corporation of North Carolina and federal affordable housing tax credits. The development was completed in 2004.

Hodges Creek offers 36 2-bedroom units and 14 3-bedroom units. Families interested in renting at Hodges Creek may contact the rental office at (919) 790-2355.
